

# NOGA KACANG

by Kelompok Wanita Tani Sirna Mukti

## What its made of?

Gula pasir yang dilelehkan sampai menjadi karamel lalu ditambah taburan kacang tanah yang sudah dimasak. Noga dicetak bulat menggunakan batang pisang lalu dibentuk menjadi kerucut atau pipa.

*Sugars were melted until it forms into caramel then were added cooked peanuts into it. Then, Noga's mixture were flattened with hard banana's stem and after that molded it into cone-shaped or pipe-shaped.*
